Pastor's Corner

Welcome to our first electronic, digital "Bulletin News!" This will be an additional way for us to connect with you, our parishioners, in sharing news and information from Saint Cabrini, the Diocese of Orlando, and the Church at large. It is the result of the hard work and effort of your Parish Ministry Leads and the Diocesan Communications Team – all working together. My gratitude goes out to everyone associated with this effort – especially Brandon, Jen and Noelani.

I know many of our parishioners are still worshipping with us from home and receiving spiritual communion so, to you, I say "Hi" and "We look forward to the day when we can all join together again around the Lord's Table." I hope and pray everyone is well and doing their part to stay safe, wear their masks in public, wash their hands frequently, and social distance when around others. We cannot take this health crisis lightly, but need to stay focused until a vaccine is available – and even proceed with caution after that.

On behalf of my sister, Maria, I offer our sincerest gratitude for your cards and sympathy as we continue to deal with the passing of our Mom, Eve de Sales. It happened suddenly, but she went peacefully to the Lord and now enjoys an eternity with God in Heaven – and with all her family that went before her and whom she missed so much. My sister & I also appreciate your generosity in contributing \$608.50 three weeks ago in our special collection to the Mission Office at the Diocese of Orlando – one of Mom's favorite outreach ministries.

We have just a couple of responses, so far, to my recent request for parishioner presence on our new Finance and Building Committees. This is the next, exciting step in our development as a new Parish. I am looking for three (different) registered people for each committee who possess the requirements that went out in a previous email. I mentioned it at all Masses last weekend, as well. Let me just take a moment to share how important it is for you to be registered at Saint Cabrini (through REALM) and to complete your personal profile and other information asked of you. If anyone is in need of Sacraments or Sponsorship letters, and they are not registered, then I'm at a stalemate. Or if I need to access parishioner professions (even professions retired from), contact information or parishioner talents and gifts, and they are not registered, then I'm at a stalemate. The only way I have spiritual jurisdiction in assisting my people, and vice versa, is when they have fully completed the entire registration process. You may know people who attend Saint Cabrini, but may have not registered yet. Please mention this very important information to them. Somewhere in this "Bulletin News" will be information on how to register. Or you can just forward this entire digital publication to them.

There are many new families who have joined us since we began celebrating Masses again in mid-June. To them I say, "How nice it is to have you with us – whether you're new to Lake Nona and the surrounding area or just new to Saint Cabrini. WELCOME! If there is anything we can do for you, please let us know. And many happy years of worship!"

Peace, Prayers & All Good Things,

Fr. Charles

Finance and Building Committee application deadline extended!

The application for the Finance and Building committees can be found in REALM under the subject "Called to Serve | Accepting Applications for Parish Finance & Building Committees"

Text from the original message –

Hello, Everyone:

As we approach our first anniversary as a new community of faith in Lake Nona and in celebrating Eucharist at Saint Cabrini, it amazes me how far we've come – given the couple of major interruptions that were laid before us. From day one I asked everyone to stay "fluid," and to bear with us as we gather in our unique environment and plan for the road ahead. Thanks so much for all you have done – and continue to do – in supporting your Parish this first year.

Today I am writing to you with exciting news about the next milestone in our Parish Formation - the creation of our Finance and Building Committees. These three-person committees (each) will work with me and serve as the voice of the parish on critical matters as we move into our second year. Please note: It is preferred that the same person not be on both committees.

I know many of you are willing and ready to step up and help; it has been that way since we first began with our pop-up meetings in Lake Nona. Now we need to go a little deeper in surfacing some specific skill-sets and experience from our congregation that will take us to the next level. Below I will briefly outline the responsibilities of each committee, the qualifications, and how to apply.

Parish Building Committee Description: The Parish Building Committee will be charged with working closely with our Diocesan Ecclesiastical Properties Secretariat in the construction of our Parish Multi-Purpose Hall.

Parish Building Committee Qualifications:

- Registered (through REALM) & Practicing Catholic (in person or virtually) of Saint Frances Xavier Cabrini Catholic Church, in good standing.
- Extensive experience in construction, building, design, or architecture; previous Church building committee experience is a plus.
- Active & approved/cleared fingerprints on-file with the Diocese of Orlando; or commitment to provide approved/cleared fingerprints prior to the first parish meeting.
- Attendance at a handful of Diocesan Meetings, if necessary.

Parish Finance Committee Description: The Parish Finance Committee is a consultative body assisting the Pastor in the financial affairs of the Parish and in the development, execution and management of the Church's annual budget as regulated by universal laws and norms issued by the Diocesan Bishop.

- Registered (through REALM) & practicing Catholic (in person or virtually) of Saint Frances Xavier Cabrini Catholic Church, in good standing.
- Extensive experience in accounting and/or finance; previous Church Finance Committee experience is preferred.
- Active & approved/cleared fingerprints on-file with the Diocese of Orlando; or commitment to provide approved/cleared fingerprints prior to the first Parish meeting.
- Attendance at just a handful of Diocesan Meetings, if necessary.

Qualifications:

To Apply: If you are interested in applying for either of these committees, please complete the application attached to this email and return it and additional documents to info@saintcabinicatholic.org by October 23 now October 30th , 2020. All applications will be reviewed by myself and the Diocese of Orlando. Eligible candidates will be contacted by November 1st, 2020 with information about Safe Environment & Fingerprinting.

Peace, Prayers, & All Good Things,

Fr. Charles

let's get connected!

"Our church is moving to a new kind of church record keeping solution called Realm®. It primarily serves the administrative needs of our staff, but it also offers some exciting opportunities to support the way you are involved in our church. Not only will this improve work life for our ministry staff, it will make it easier for our church family to connect with each other, keep up with what's going on, and grow as a connected community of believers."

Email Brandon Barkholz at info@saintcabrincatholic.org to start your registration with St. Cabrini.

This week we circulated a "claim your Realm account" invitation to everyone who have registered, but have not signed in to REALM. It is important to "accept" that invitation, signup and create your profile so you never miss a message from Saint Cabrini.
