FIFTH SUNDAY OF EASTER

"I am the true vine, and my Father is the vine grower. He takes away every branch in me that does not bear fruit, and every one that does he prunes, so that it bears more fruit. You are already pruned because of the word that I spoke to you. Remain in me, as I remain in you. Just as a branch cannot bear fruit on its own unless it remains on the vine, so neither can you unless you remain in me. I am the vine, you are the branches. Whoever remains in me and I in him will bear much fruit, because without me you can do nothing. Anyone who does not remain in me will be thrown out like a branch and wither; people will gather them and throw them into a fire and they will be burned. If you remain in me and my words remain in you, ask for whatever you want and it will be done for you. By this is my Father glorified, that you bear much fruit and become my disciples."

John 15: 1-8

My Dear Brothers & Sisters in Christ,

This weekend's Gospel (John 15: 1-8) explains that relationship between Jesus and His people by comparing it to a tree and its branches. While the branches cannot be separated from the tree and continue to live – those branches – while connected – need to produce fruit. By remaining united to the vine, we maintain discipleship and a relationship with Jesus and bear fruit – by bringing lost souls back into the fold and by filling society with the justice and beauty it needs to flourish. This also entails us being open to a good pruning every so often – that purification that comes through suffering and sacrifice. Bearing fruit makes life worth living. Without it we are dry, dead branches, cut off and good for nothing except the fire.

A few questions to ask ourselves this weekend: Am I a living branch on the vine that is Jesus? Am I a Christian that bears fruit? Am I living my life creatively so that others also benefit? Can others see the influence that Jesus has on my life? How many people have come to know and believe in Jesus because of me? It is only through the way that we live that people will be inspired to follow our footsteps and discover what we have discovered – the joy of knowing God's love that comes to us through Jesus and His Church.

Peace, Prayers, & All Good Things,
Fr. Charles

An Update to our Parents of children and teens currently enrolled in neighboring Parish Faith Formation & Youth Programs.

Our Saint Cabrini Parish is still young and still growing. As we enter into the 2021/2022 school year, we are - as of yet - still unable to financially support the hiring of our own Director of Faith Formation & Youth Minister.

The situation will hopefully change down the road but, for now, my suggestion is to keep your child(ren) enrolled in their current programs for the upcoming year. I know that they all long for physical interaction and support with in-person Faith Formation & Youth classes but at least the on-line programs keep everyone from driving long distances - and the Catechists are well qualified and the programs creative and exciting.

Continue to remember that your child's first learning of the Faith comes from the home environment. Please be patient as I continue to explore alternatives to our situation and know that I do say 'Thanks' and 'Keep Up the Home Ministry' until a blessing cup alternative comes our way.

Yours In Christ,

Fr. Charles

Our First Holy Communion Candidates are getting very excited about their upcoming Sacrament. The following young people are completing their Sacramental Preparation with our partner Parish, Corpus Christi, and look forward to receiving the Eucharist for the first time at **Saint Cabrini Parish on Sunday, May 30th, at the 10:30 AM Mass:**

William Abbott; Kenley Barkholz; José Antonio Felix; Nicole Orozco; Reya Patel; Lillian Rodriguez and Athena Yapchulay.

On that day, we ask these young people to attend Mass in their First Communion attire and sit with their parents (no check in required). When it's time for Communion - everyone in the congregation will be seated except for these 7 children. Fr. Charles will walk through the congregation and bring the Eucharist to each - one at a time. When the child has received, their families will stand to receive next. And so on for each child.

After our 7 children and their families have received (and remain seated), Fr. Charles will then invite those children making their **Second** Holy Communion to please stand. The same format will be followed. Then he will return to the Sanctuary as the congregation stands, the Communion Hymn begins, and the EMHC's come down to begin administering to the rest of the congregation, starting at the front as we normally do. Our Parish procedure for receiving Holy Communion will be read right after the Sign of Peace.

Social distancing (for individuals who are non-related) and mask wearing are still school protocols and will remain in effect.

A Special Invitation!

We wish to Congratulate all of our children parishioners who are enrolled in neighboring Parish Faith Formation Programs and are preparing to make their First Holy Communion (at neighboring Parishes) in the month of May - and extend to them & to their families a Special Invitation to join with us for their **Second** Holy Communion as explained in the article above. They, too, are welcome to wear their Communion attire and be present to celebrate with their Faith Community at Saint Cabrini. We would also like to include their names in an upcoming Electronic Bulletin Newsletter. Please email Fr. Charles at: FrCharles@SaintCabriniCatholic.org to tell him the name of your child(ren) who have completed their course work; a copy of their completion certificate; and that they will be in attendance at our May 30th celebration at the 10:30 AM Mass.

What: Congress is trying to force Americans to pay for abortions.

How: The Hyde Amendment and similar laws have protected taxpayers from funding elective abortions for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century.

What Happens Without These Protections? Billions of taxpayer dollars could be used to pay for abortions.

Building Committee Update from Justin McCullough, Chair

We are in the early planning phase and coordinating meetings with both Orange and Osceola Counties to develop the entrance and property roadway requirements to make sure we accommodate any potential future requirements for our entrance and road through the property. This coordination will help eliminate potential unnecessary construction and cost impacts in the future. As with most government agencies, this takes some time to get everyone's input and approval. The team is all over it and anticipating some firm direction soon.
