THE ASCENSION OF THE LORD

“And he said to them, ‘Go into all the world and proclaim the good news to the whole creation. The one who believes and is baptized will be saved; but the one who does not believe will be condemned. And these signs will accompany those who believe: by using my name they will cast out demons; speak in tongues; pick up serpents; and if they drink any deadly thing, it will not hurt them; they will lay hands on the sick, and they will recover.’ So then the Lord Jesus, after spoken to them and confirmed the message by the signs that accompanied it,”

Mark 16:15-20

My Dear Brothers & Sisters in Christ,
As we soon approach the end of our Easter Season, we gather on this Ascension Weekend (which replaces the Seventh Sunday of Easter) so that we can experience the full cycle of Jesus' life on earth. We know that Jesus ascended into Heaven on Ascension Thursday (May 13), but we also know that not many of the faithful are able to attend Mass on that day. So, in her wisdom, Holy Mother Church allows for it to be transferred to the weekend that follows, when a greater majority of people can attend and appreciate that Jesus did not continue to remain on earth for an indefinite period of time after His Resurrection, but that He did leave with a promise to send a helper and to come back again. The Gospel of Mark (16:15-20) shares with us what happened and the last words of Jesus to His disciples – that we must walk in His ways; evangelize; love one another; and be baptized. What a great message to leave behind. Take an inner journey this weekend to see how we are living up to what Jesus asked us to do – and how we are being ministers in our own right.

Peace, Prayers, & All Good Things,

Fr. Charles

NO TAXPAYER ABORTION

Tell Congress not to take innocent lives!

What: Congress is trying to force Americans to pay for abortions.

How: The Hyde Amendment and similar laws have protected taxpayers from funding elective abortions for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century.

What Happens Without These Protections? Billions of taxpayer dollars could be used to pay for abortions.
