THIRTEENTH SUNDAY IN ORDINARY TIME

“When Jesus had crossed again [in the boat] to the other side, a large crowd gathered around him, and he stayed close to the sea. One of the synagogue officials, named Jairus, came forward. Seeing him he fell at his feet and pleaded earnestly with him, saying, “My daughter is at the point of death. Please, come lay your hands on her, that she may get well and live.” He went off with him, and a large crowd followed him and pressed upon him.

There was a woman afflicted with hemorrhages for twelve years. She had suffered greatly at the hands of many doctors and had spent all that she had. Yet she was not helped but only grew worse. She had heard about Jesus and came up behind him in the crowd and touched his cloak. She said, “If I but touch his clothes, I shall be cured.” Immediately her flow of blood dried up. She felt in her body that she was healed of her affliction. Jesus, aware at once that power had gone out from him, turned around in the crowd and asked, “Who has touched my clothes?” But his disciples said to him, “You see how the crowd is pressing upon you, and yet you ask, ‘Who touched me?’” And he looked around to see who had done it. The woman, realizing what had happened to her, approached in fear and trembling. She fell down before Jesus and told him the whole truth. He said to her, “Daughter, your faith has saved you. Go in peace and be cured of your affliction.”

While he was still speaking, people from the synagogue official’s house arrived and said, “Your daughter has died; why trouble the teacher any longer?” Disregarding the message that was reported, Jesus said to the synagogue official, “Do not be afraid; just have faith.” He did not allow anyone to accompany him inside except Peter, James, and John, the brother of James. When they arrived at the house of the synagogue official, he caught sight of a commotion, people weeping and wailing loudly. So he went in and said to them, “Why this commotion and weeping? The child is not dead but asleep.” And they ridiculed him. Then he put them all out.

He took along the child’s father and mother and those who were with him and entered the room where the child was. He took the child by the hand and said to her, “*Talitha kum*,” which means, “Little girl, I say to you, arise!” The girl, a child of twelve, arose immediately and walked around. [At that] they were utterly astounded. He gave strict orders that no one should know this and said that she should be given something to eat.”

Safe Environment Certification Process For Volunteers Who Have Already Been Approved By Their Ministry Lead (See Page 2 For Your Ministry Options And Contact Info)

What is Safe Environment Training?

The Diocese of Orlando is required by the United States Catholic Conference of Catholic Bishops (USCCB) to follow certain guidelines with regard to Safe Environment Training. As with all other archdioceses and dioceses, we are required to undergo regular audits by the USCCB to be sure that we are in compliance with those regulations.

All Church Personnel and volunteers working with children and vulnerable populations must complete Safe Environment Training in addition to a background/fingerprint clearance. In an effort to ensure the safety of those persons under the care of the Diocese, all Church Personnel and volunteers, ages 15 and older, will be required to submit a completed Criminal Background Check Form as well as a complete set of fingerprints so as to facilitate a criminal background investigation.

How to complete Safe Environment Training?

1. Watch Safe Environment Certification video. Your Ministry Lead will provide access information.
2. When video is complete, read the Diocesan Standards of Conduct & agree to terms. Proceed to Quiz.
3. Select either: **PARISH**/school/diocesan entity. Your Ministry Lead will provide the code.
4. Passing Scores are 80% and above.

You may immediately download your certificate. Results will also be emailed to selected Diocesan Entity and to the Human Resources Secretariat. A field print code specific to that entity will appear on screen. You need this code for next step.
