THIRD SUNDAY IN ORDINARY TIME

When Jesus heard that John had been put in prison, he withdrew to Galilee. Leaving Nazareth, he went and lived in Capernaum, which was by the lake in the area of Zebulun and Naphtali - to fulfill what was said through the prophet Isaiah: "Land of Zebulun and land of Naphtali, the Way of the Sea, beyond the Jordan, Galilee of the Gentiles - the people living in darkness have seen a great light; on those living in the land of the shadow of death a light has dawned." From that time on Jesus began to preach, "Repent, for the kingdom of heaven has come near." As Jesus was walking beside the Sea of Galilee, he saw two brothers, Simon called Peter and his brother Andrew. They were casting a net into the lake, for they were fishermen. "Come, follow me," Jesus said, "and I will send you out to fish for people." At once they left their nets and followed him. Going on from there, he saw two other brothers, James son of Zebedee and his brother John. They were in a boat with their father Zebedee, preparing their nets. Jesus called them, and immediately they left the boat and their father and followed him. Jesus went throughout Galilee, teaching in their synagogues, proclaiming the good news of the kingdom, and healing every disease and sickness among the people. Mt 4:12-23

National Catholic Schools Week (C.S.W.) is an annual celebration of Catholic education in the United States. Now entering its 49th anniversary year, C.S.W. has traditionally been held the last Sunday in January to the following Saturday. This year the theme is "Catholic Schools: Faith. Excellence. Service." During Catholic Schools Week, schools typically observe the week with Masses, open houses, assemblies and other activities for students, families, parishioners and community members to celebrate and congratulate the great work and good news of Catholic schools. Through these events, schools focus on the value Catholic education provides to young people – and its contributions to our Church, our Communities, and our Nation.
